**RE: Petition of Green Mountain Power for a Certificate of Public Good pursuant to
30 VSA 248(j) for a photovoltaic solar system installation at its Berlin #5 plant**

Dear Mr. Castonguay:

Central Vermont Regional Planning Commission received notice that Green Mountain Power intends to build a photovoltaic solar system at its Berlin # 5 plant on Dog River Road, Berlin, Vermont. We waive the 45 day advance notice requirement as permitted by 30 VSA 248(f). However, we reserve the right to participate in the Section 248 proceedings should we find that the project will have "substantial regional impacts."

Sincerely,

Christopher Walsh
